“I am interested in this position for numerous reasons. I am aware of the positive reputation and quality of schools in the Waukesha School District. “Coach Jazdzewski’s knowledge of the game is tremendous. His references spoke highly of his passion for football and view him as a leader in his understanding of the game and his ability to relate it to student-athletes. Throughout the interview process, we were impressed with Scott’s passion in developing the leadership skills of his athletes and instilling life long lessons in the young men who participate in the Northstar football program,” concludes Waukesha North Athletic Director and Assistant Principal, Robert Blessington.
