

**Seniors: COLOR Yearbook Pictures are DUE Friday, October 15, 2010.**

The goal of the North yearbook staff is to picture **EVERY** senior in the Senior Section of the 2011 Northern Light. Professional portraits can be forwarded by the studio directly to Mrs. Diane Voit's attention before the October 15 deadline. Her email address is [dvoit@waukesha.k12.wi.us](mailto:dvoit@waukesha.k12.wi.us) for transfer of electronic files. Students may also drop off a wallet-size print in Mrs. Voit's mailbox at North.

As you select the best photo to use for the Senior Section, realize that **head-and-shoulder shots work best** for the 1 ½ inch by 1 ¾ inch size that is published. We will accept any pose and background, BUT we are **discouraging the horizontal layout** because it is more difficult to fit within the size of the space allowed.

Include your name on the back of the print or with the file the way you want it to appear in the yearbook (i.e. Robert R. Jones III or Bobbie Jones).

**PLEASE NOTE: The ID pictures taken by the professional photographers at Registration on August 9 will be used in the Senior Section if no other photo is received.**
